

SEEING THE LIGHT DOWN UNDER

You are invited to join one of Australia's most awarded photographers to find the '**Light Down Under**'!

Tony Hewitt Master Photographer will be your tour leader on this amazing 10 day Aussie Adventure of a lifetime!

Journey into the Aussie outback and 'see' some of the oldest landscapes on Earth

'See' 40,000 year old Aboriginal Art

Experience the amazing gorges of Karijini National Park

Explore the unique ecosystems of Cape Range National Park where eons old landscapes lead to kangaroo filled coastal plains and down to a coral coast

Dive with the awesome whale sharks (seasonal)

View some of the biggest mine sites in the world from the air

Camera equipment for hire, including lenses etc.

Costs for land based component (Perth to Perth) will be approximately \$10,000

Travel dates to be finalised and at this stage will be April/May 2011
